Ipseities

- assorted authors
978-1-7335769-9-4

Eleven visionary indie voices explore weird and divergent worlds, each as unknown as it is unsettling. These darkly curious stories are guaranteed to take up residence in your head. Don't say we didn't warn you.

Fragments 1: Handjobs for Satan and Other Weird Tales

- S L Koch
978-1-7335769-5-6

A trip through the bizarre, the absurd, and the uncomfortable: 13 short stories of doom metal, dark comedy, pop culture, body horror, occult metaphysics, love, desire, and those secret places.

Unjudgable

- S L Koch
978-1-7335769-8-7

A bizarro future where designer brands fall from the sky, Furrries and Juggalos have become mutant cannibals, and the arbiters of old TV shows roam the wastes dispensing justice.

Liquid Hitler

- S L Koch
978-1-7335769-6-3

Can you stop the drug that hates? Psychic cop Austin Peck is drawn into a strange occult crime story, running on desperate fumes and horrific visions as it spirals out of control into madness.

Luminarium 2: Bright Manifest

- Rick Rosenkranz
978-1-7335769-4-9

In book 2 of the LUMINARIUM series, Rick Rosenkranz blends faith and science in an exciting and fast-paced romp through a colorful far-flung future.

Luminarium 1: Dark Evasion

- Rick Rosenkranz
978-1-7335769-3-2

The LUMINARIUM series explores eternal spiritual themes in a galaxy-spanning future empire straight out of the Golden Age of science fiction.

UbiquiCity 2: UnderCurrents

- assorted authors
978-1-7335769-0-1

The 2nd book in the UbiquiCity series explores the seamy underside of this augmented world, 100 years in the future.

CORE Micro

- Tod Foley
978-1-7335769-7-0

A simple roleplaying system for the collaborative creation of exciting and unpredictable character-driven stories.

**FROM THE OUTLYING EDGES OF SPECULATIVE FICTION:
THE ALLEGORICAL, THE PHILOSOPHICAL, THE METAMODERN
AND THE WEIRD**
